17/69 POLICE REPORT

The Clerk informed the Council that he had followed up concerns expressed at the previous meeting regarding police presence at meetings and the absence of a police report. A position statement had been circulated to all Councillors via the Clerk, from the Chief Inspector for the area following the representations. The Parish Council expressed their disappointment with the stance that had been taken, particularly with regards to the provision of a report and felt that the issue should be escalated further to the Police and Crime Commissioner.

By way of a general update. One of the local PCSO's had informed the Clerk that a large amount of proactive work had been carried out in the area following a recent spate of thefts. Police had been working with the County Durham Housing Group regarding a number of issues related to one house in the area.

The Police continued to hold PACT meetings at Bearpark Community Centre. There were four PACT meetings held per month held at Bearpark, Esh Winning, Brancepeth Village and Brandon. These meetings were grouped to ensure that resources were available to deal with any issues in the community. The grouped meetings covered the 10 local villages (Broompark, Bearpark, Ushaw Moor, Esh Winning, New Brancepeth, Brandon, Meadowfield, Langley Moor, Browney and Brancepeth Village).

PACT meetings had recently moved from Ushaw Moor to Bearpark to allow the village an equal opportunity to attend should they wish to do so. Surrounding villages were welcome to discuss any issues they had too. The Clerk would be discussing the issue of holding an alternating evening PACT meeting in the future.
